PERSONAL PROTECTIVE EQUIPMENT POLICY

AIMS-GLOBAL ENGINEERING SDN BHD (AGESB) is committed in providing safe working environment to our employees and clients, and protecting them from the risk of injury by creating an additional barrier against workplace hazards.

Our Personal Protective Equipment (PPE) Policy is mandatory at all levels of AGESB and is adopted throughout our operations and activities. All employees have the responsibility to perform their duties in a manner which ensures their own safety and others and to co-operate with any safety requirement in the workplace.

The use of PPE is essential for health and safety. When considering infection control, a risk assessment must be required in order to decide which PPE is most appropriate for the task & situation, depending on what the personnel might be exposed to.

The AGESB Personal Protective Equipment (PPE) Policy includes;

- To ensure an appropriate PPE is identified to minimize hazards that unable to be controlled by elimination or isolation;
- To ensure an appropriate PPE is provided and fit for the purpose;
- To ensure an adequate training in the use of PPE is provided;
- To monitor the use and maintenance of PPE.

All employees and contractors are required to adhere to this policy.
